

Glass Open Book

LiSEC Austria GmbH

all.in.one:solutions

Description:

LiSEC is a globally operating group which has been offering innovative individual and complete solutions in the field of flat glass processing and finishing for more than 60 years. The performance portfolio includes machines, software solutions and services.

LiSEC develops and produces glass cutting and sorting systems, individual components and complete production lines for the production of insulating and laminated glass as well as machines for the processing of glass edges and tempering systems.

With their reliable technology and intelligent automation solutions, LiSEC sets standards in terms of quality and technology and makes a substantial contribution to the success of their customers.

Since 2020 LiSEC is the first company in the flat glass industry which offer a virtual campus where all new innovation can be explored:
